A Belgian software engineer relocating to Vilnius with two calm, well-trained dogs. Looking for a long-term, quiet and respectful tenancy.

## ABOUT ME

- 4.5 years at Edenred (fintech) — software engineer
- Former military — 7+ years of service (discipline, responsibility)
- I own my home in Šiauliai
- Quiet, tidy, non-smoking lifestyle

## MY DOGS

- Raava — Bullmastiff, 5 yrs, raised since a puppy
- Goldas — Labrador, 8 yrs, raised since a puppy
- Calm, quiet, used to apartment living
- Vaccinated and microchipped

## FINANCIAL PEACE OF MIND

- Steady, dependable income
- Happy to pay 2–3 months of rent in advance (open to discuss)
- Ready to increase the security deposit
- Employment contract and proof of income available on request

## HOME CARE & AVAILABILITY

- Shoes off indoors, daily cleaning, steam cleaning
- Respect the property, report maintenance promptly
- Available immediately · long-term lease (12+ months)
- Flexible on viewing times
